

Geography Through the Year Groups at Holy Cross CE(VA) Primary School

At Holy Cross, we adopt an integrated approach to our curriculum to support children in developing the ability to make links between different subjects and in the ability to learn and apply skills across a range of media and lessons.

In Key Stage 1 and 2, we deliver a Learning Challenge Curriculum and whilst each topic is cross-curricular, there are a number of topics and Investigation Questions that are driven predominantly by the Geography curriculum.

Year Group	Topic or Investigation that is driven by Geography		
1	Where do the leaves go in winter?	Why can't a Meerkat live in the South Pole?	What are the differences between Oldham and the Rainforests?
2	What would Jake and the Neverland pirates find exciting about our town?	How is Bangladesh different to the UK?	Why do we love to be beside the seaside?
3	What makes the Earth angry?	Why do so many people choose to go to the Mediterranean on their holidays?	What makes Greece special?
4	Will you ever see the water you drink again?	Why is the North West such a cool place to live?	Where would you choose to build a city?
5	What is so special about the USA?	Why should the Amazon be important to us all?	What can we learn from Daisy Nook?
6	I'm a Year 6 pupil, get me out of here!	Local Geography topic-TBD
